

On November 4th I sent the same "48-hour notice" report twice. I neglected to sign the first report and thought that I should resend it. Please delete the report sent at 18:44:23, with filing ID #FEC-379269, as it is a duplicate of the report sent at 19:02:02, with filing ID #FEC - 379287. I'm sorry if this caused additional work for you - as I'm certain you have quite enough to do!
